MAKERERE UNIVERSITY
CoBAMS
SCHOOL OF BUSINESS

Website Design Assignment:
COA1201 Business Computing Techniques for BCOM and
COB1201 Information Communications Technology for BBA.

Instructions for E-commerce Website Assignment (BCom & BBA Classes).

Total Marks compiled out of: 30

1. **Group Formation**:

   - Work in groups of ten. Please list all member names and registration numbers on the cover page of your report.

2. **Submission Format**:

   - Submit a typed report in Microsoft Word, using Times New Roman, font size 12 with your working website.
   - The report must not exceed ten pages, formatted with 1.5 line spacing.

3. **Submission Details**:

- Hand in your report, along with a link to your website, to the class leader. The class leader will forward all submissions to the facilitator by **April 30, 2026, at 2 PM**.

4. **Important Note**:
   - **No extensions will be granted** for this assignment.

Project Guidelines

- **Scenario Utilization**:
- Create your website based on a real or realistic scenario. The site should represent a business or organization, and simply creating a single web page is insufficient; an entire website must be developed.

Allocation of Marks

- Clear Site Map: **10 marks**
- At Least 1 Image: **5 marks**
- Working Links: **10 marks**
- Aesthetic Design & White Space: **5 marks**
- Company Description: **5 marks**
- Contact Information: **5 marks**

Student's Checklist

Your report should address the following points:

a) Explanation of the Problem (10 marks)

- Identify the organization for which you are creating the website.
- Outline the organization's requirements and describe what your site will contain.
- Specify the key information that needs to be conveyed.

b) Alternative Presentation Methods (5 marks)

- List various media options (e.g., website, PowerPoint, slideshow, video, sound recording, printed publication).
- Explain why a website is the most suitable choice and what advantages it offers compared to other media.

c) Success Criteria (5 marks)

- Define clear goals for what you want your website to achieve.

d) Understanding the World Wide Web (5 marks)

- Provide a brief description of what the World Wide Web is.

e) Website Content (5 marks)

- Outline the types of content your site will include (e.g., text, images, audio, video, animations).

f) Content Suitability for the Web (10 marks)

- Discuss why the chosen content is appropriate for web publication and can be effectively viewed in a web browser.

g) Information Sources (10 marks)

- Clearly state where your information will come from. Avoid plagiarism; do not simply rely on existing websites. Aim for original content sourced from literature, interviews, or expert opinions.

h) Task List (10 marks)

- Outline the tasks you will follow to complete the project.

Conclusion

Adhere closely to these guidelines to ensure a comprehensive and successful submission.

Good luck with your project!
